NEW FOR 2014

Christian Liberty Press is in the process of creating new Bible courses and refreshing our phonics series. We continue to expand our lower grade Bible offerings with our *Bible Treasures* series. This year, we also begin our second new Bible curriculum with the *Journey Through the Bible* series for seventh through ninth grades.

BIBLE TREASURES

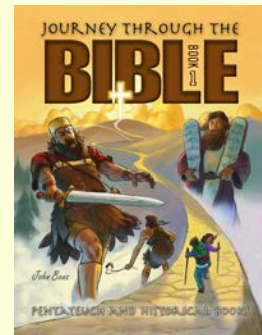

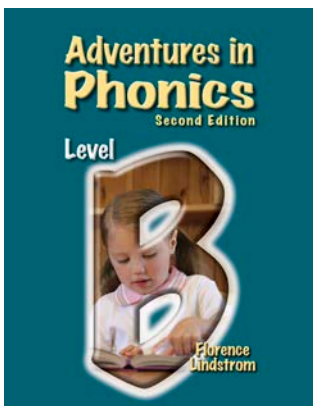

We are in the midst of developing a three-part set of books known as *Bible Treasures* to complete our *Stories From the Bible* series. We released the first book (*Bible Treasures: Genesis to Ruth*) for kindergarten this past fall. We anticipate releasing the first grade course entitled *Bible Treasures: I Samuel to Malachi* this summer. We plan to release a second grade book covering the New Testament in 2015.

The *Bible Treasures* books are adapted from the initial edition of *The Child's Story Bible* by Catherine Vos. They are divided into 36 units, with five lessons each, and are illustrated with numerous four-color and one color images. Bible stories, student exercises, and memory work are included within each book. The included catechism study is based on the *First Catechism* from Great Commission Publications. The *Bible Treasures* books are printed in workbook size and are perfect bound.

The *Bible Treasures* courses will eventually replace *Studying God's Word Book A*, *Book B*, and *Book C*. *Book A* is already out of print, but we still have sufficient inventory of *Book B* and *Book C* for the rest of 2014.

ADVENTURES IN PHONICS LEVEL B—SECOND EDITION

We are in the process of refreshing our *Adventures in Phonics* series. We published the third edition of *Level A* for kindergarten in 2013. The new edition of *Level B* for first grade was released for 2014 and the new edition of *Level C* will be ready next year. *Level B* continues the formal study of phonics begun with *Level A*. It covers topics like blends, digraphs, diphthongs, silent letters, and more. It also introduces syllables, apostrophes, synonyms, antonyms, and homonyms.

Journey Through the Bible

Journey Through the Bible is a new Bible curriculum for grades seven through nine. Each course consists of a student textbook, a workbook, an answer key, and a test packet. The student textbook includes one-color illustrations and maps. These courses are organized for a school year. The author's goal for this series is to get students reading and interacting with their Bibles.

The first two courses cover the Old Testament and the third covers the New Testament. The Old Testament courses will be released this summer and the New Testament course will be published in 2015. More details will come later.
