INTERNATIONAL SHIPPING INSURANCE WAIVER

Revised – January 1, 2016

please print clearly

International shipping insurance through Christian Liberty Press guarantees (in the event of shipping loss or damage) fast processing of your claim without waiting for the claims process of the carriers used to ship your order. The cost for insurance is 5% of the subtotal of your order.

If insurance is waived, Christian Liberty Press will not be held liable for any damages or losses. Neither will Christian Liberty Press replace free of charge, or issue a refund for, any items in your shipment that are either lost or received in damaged condition.

Insurance covers the replacement cost of materials in your order that have been subject to loss or damage while in transit. It also covers the equivalent shipping costs associated with your original shipment. Insurance does not pertain to shipping discrepancies and defective goods, which are handled according to their respective policies.

Please select one of the following options and include this form with your order.

- I **do not want** the insurance provided by Christian Liberty Press. I take full responsibility for any damages or losses incurred. I understand that, by waiving this coverage, I hold Christian Liberty Press harmless.
- I **do not want** the insurance provided by Christian Liberty Press. I will be using a private carrier or collect shipment, so my insurance will be waived automatically. Shipment will be FOB, Arlington Heights, Illinois 60004-5402 USA – point of origin.

NOTE: If this waiver is not included with your order and a private carrier or collect shipment has not been pre-arranged, Christian Liberty Press will assume that insurance is desired and will automatically add the 5% charge to your bill.
