Renewing the Mind ... Transforming the World

PLANS FOR 2011

Christian Liberty Press is in the process of producing several new and revised titles for 2011. We wanted to give you an advanced notice of what you have to look forward to next year.

UPDATING OUR SPELLING SERIES

Christian Liberty Press is in the process of producing a second edition of our popular *Building Spelling Skills* series. We have already published second editions of two of the workbooks: *Building Spelling Skills Book 1* and

Book 5. We expect to have second editions for *Book 3* and *Book 4* available in January 2011. We also anticipate having the rest of the series completed later the same year. Please be aware that our supply of the earlier edition of *Books 1* and *5* are already exhausted and our supply of current editions of *Books 3* and *4* are limited.

Each workbook will have new, striking covers and enhanced layout. The content within each workbook will largely stay the same, although we will be updating some of the images and will making some text revisions as seems appropriate. The revised *Book 5*, for example, reflects the many changes to the world's political geography since the workbook was first written in 1991.

NEW TITLES FOR YOUNG CHILDREN

We plan on publishing two new books for young children next year. One will be a Bible story book to go with our preschool curriculum. It will consist of thirty-four weekly lessons that will be integrated with the preschool teacher's guide. The Bible course will consist of a book of stories and teaching suggestions, as well as an activity book. Customers could buy the two together or the book by itself.

We will also be publishing a kindergarten world studies course to replace *The American People and Nation*. It will be entitled *Little Pilgrims in God's World* and will be a precursor to our first grade history book *History for Little Pilgrims*. This kindergarten course will consist of a textbook, activity book, and teacher's manual.

We will give you more information about these two titles, and possibly others, as they become available.

2010 CATALOG

You should have received a copy of our **Product Catalog 2010** a few months ago. You will find information about our new and recently updated products, as well as an announcement about the start of our revised spelling series (see pages 3–6 of the catalog about our new or revised titles).

We are also pleased to announce that Christian Liberty Press has begun to distribute titles from a new publisher, **Great Light Publications** (GLP). See page 39 of the catalog for the first GLP books we are offering to distributors. Expect more in 2011. Normal discounts will apply to GLP books. We will give you more details about these books in a future newsletter.
