*Renewing the Mind ... Transforming the World*

## SPRING 2011 UPDATE

We are glad to present to you a brief introduction to our products for this spring. We gave you an advanced notice of these items in our November 2010 newsletter. Now, we are about ready to offer them for sale. The next few pages will provide you with more details about these new or revised titles and when they will be available. Feel free to request free samples.

## NEW KINDERGARTEN COURSE

We are excited about our new kindergarten world studies course entitled *Little Pilgrims in God's World*. Intended as a replacement for *American People and Nation*, *Little Pilgrims in God's World* is designed to precede our first grade history course, *History for Little Pilgrims*.

This new course consists of a textbook, activity book, and teacher's manual. Its objective is to teach young students what they need to know to serve God in His world: who they are in Christ, how to live for God in the various spheres of life, and their pilgrim status in this world as they look forward to heaven. *Little Pilgrims in God's World* will be available in May.

The course consists of 70 lessons and is designed for an entire school year. While parents may just want to purchase the book by itself for their children, all three components are designed to work together to create a complete educational experience. See the next page for more details.

## SECOND EDITION OF THE BUILDING SPELLING SKILLS SERIES

We also announced in the November 2010 newsletter that we had started on the second edition of our spelling series. We now have three—*Book 1*, *Book 3*, and *Book 5*—in stock and available for immediate shipment. The next three—*Book 2*, *Book 4*, and *Book 6*—will be ready soon. *Book 7* and *Book 8* will be available in early 2012. See pages 3 and 4 for more information and the expected release times.

## NEW PRODUCTS PRICE LIST

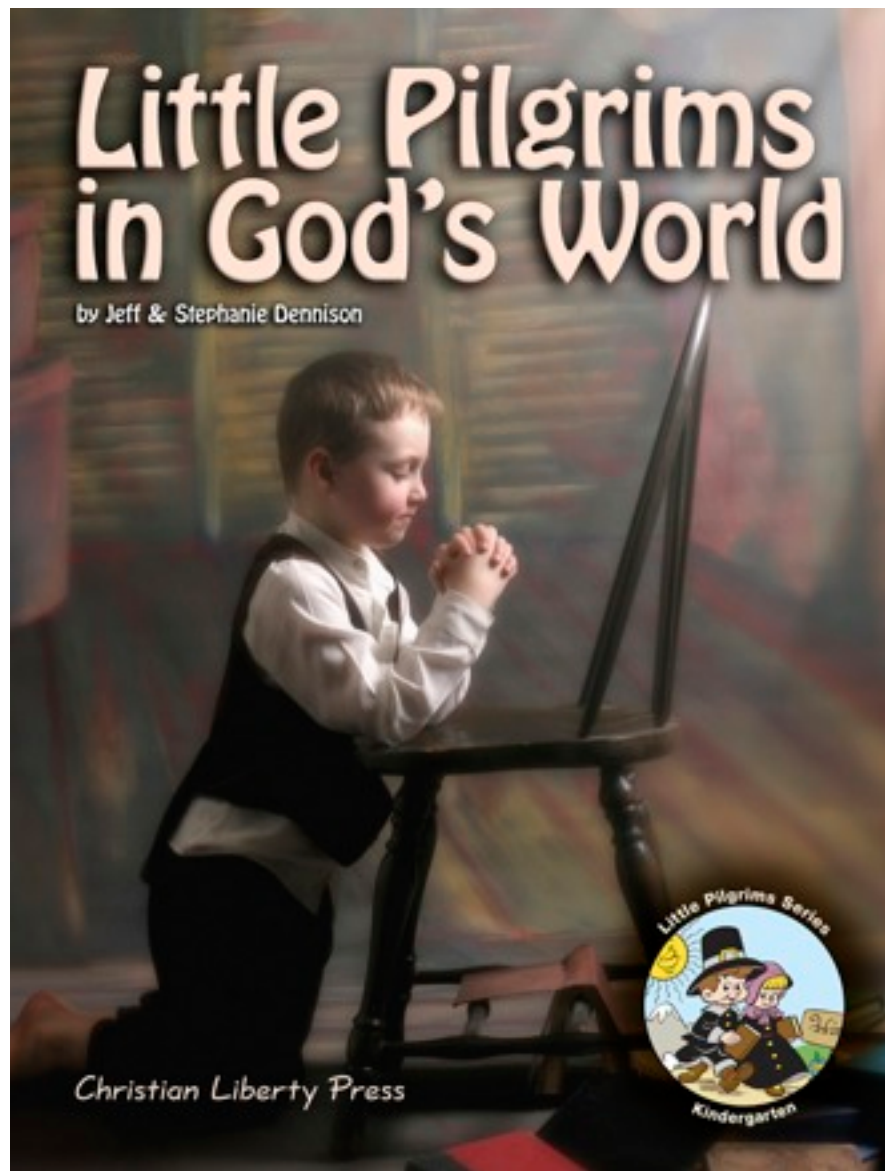

Finally, we have included a price list, with item and ISBN numbers, with this newsletter. You will notice that the second edition spelling materials have not gone up in price.

## NEW FOR KINDERGARTEN

The first in the *Little Pilgrims* history series, this world studies course will help young students learn who they are in Christ and what their roles are in the family, the church, society, and the world. They will learn what it means to be created in God's own image, how He provides for His children, and that He is preparing for them a new world called heaven.

- This course includes a textbook, activity book, and teacher's manual.
- The text and activity book are four-color and divided into 70 lessons.
- Each lesson has questions, hands-ons activities, vocabulary, and Bible memory work.
- The activity book contains hands-on activities, map work, and removable Bible memory and vocabulary cards for the textbook lessons.
- The teacher's manual coordinates the text and activity book and provides answers to the textbook questions.

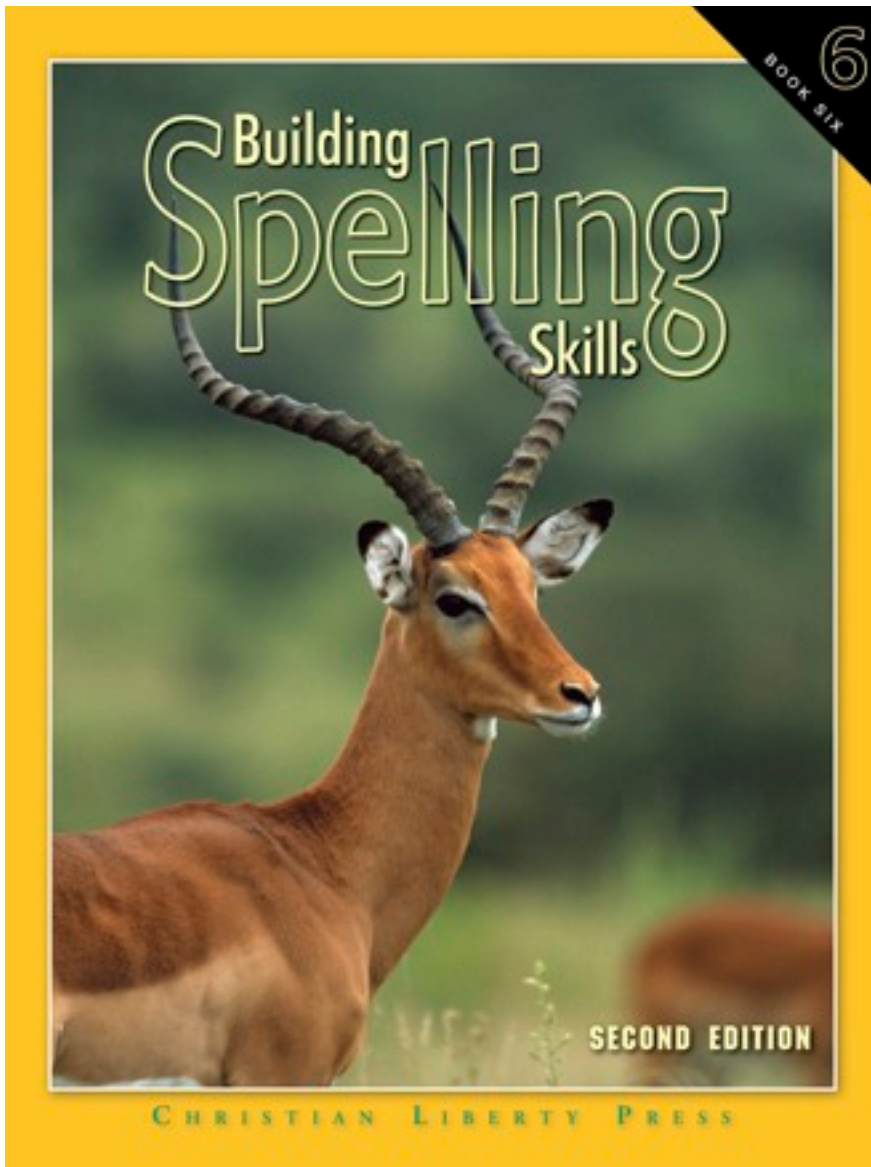

## MEET THE AUTHORS

Jeff and Stephanie Dennison are the co-authors of *Little Pilgrims in God's World*. While they may be new authors for Christian Liberty Press, they are not strangers to Christian education. They are both from western Pennsylvania and grew up in homes where their fathers were pastors and their mothers taught in Christian schools.

Jeff and Stephanie are both graduates of Covenant College, and Jeff earned a master's degree from Wheaton College. Between the two of them, they have taught for several years in Christian schools in North Carolina and Illinois. In addition, Jeff has already done some freelance editorial work for Christian Liberty Press.

While no longer formally teaching, the Dennisons keep busy raising their three children and being involved in the teaching ministries of their local church.

**SKILLS SERIES**

Christian Liberty Press is in the process of producing a second edition of our popular *Building Spelling Skills* series. Each workbook will have new, striking covers and enhanced layout. The content within each workbook will largely stay the same, but we will be updating some of the images and making needed text revisions.

Prices for these revised products remain the same as the earlier editions.

**NOW AVAILABLE**

We have already published second editions of *Building Spelling Skills Book 1*, *Book 3*, and *Book 5*. The stock of the previous editions for these titles is already exhausted. The stock of the earlier versions of the titles to be released this spring is very limited.
