Renewing the Mind ... Transforming the World

2011 UPDATE

We are glad to present to you a brief introduction to this year's new and updated products. Feel free to request samples. We also made some significant changes to the distributor section of our web site. See the second page for details.

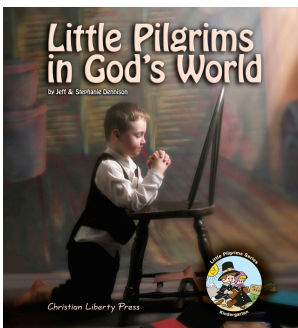

BUILDING SPELLING SKILLS

We now have second edition workbooks and answer keys available for *Building Spelling Skills Book 1* through *Book 6*. There is no change in the price for the second edition materials; the

list price remains the same. We will be publishing second editions of *Book 7* and *Book 8* in 2012. We still have plenty of the original edition of these two workbooks on hand to meet your needs.

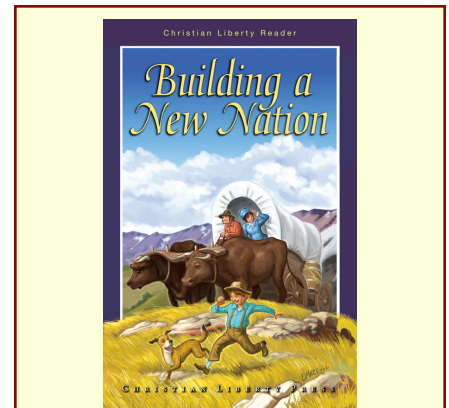

For those of you who might still want copies of the original edition of *Book 6*, we still have several hundred copies available. We have also instituted special closeout prices for the original edition of this course, along with its answer key. The original edition workbook for *Book 6* is only \$7.19 and the answer key is \$3.14. Your distributor discounts still apply for these closeout items.

LITTLE PILGRIMS IN GOD'S WORLD

We also have a new world studies course for kindergarten—*Little Pilgrims in God's World*. Replacing *American People and Nation*, it consists of a student textbook, an activity book, and a teacher's manual. This colorful course covers an entire school year in 70 lessons. All three components are designed to work together. Following the directions in the teacher's manual, instructors will read the textbook to their students and help them with the activity book.

Students will gain a greater understanding of who they are in Christ and what their roles are in the family, the church, society, and the world. They will learn what it means to be created in God's own image, how He provides for His children, and that He is preparing for them a new world called heaven.

COMING THIS FALL

Building a New Nation is the latest in our Christian Liberty Reader series. It is an exciting collection of stories that picks up where *Finding a New Land*, our fourth grade reader, leaves off. Children will experience key historical events from America's westward expansion to the Vietnam War. Within the book, they will be introduced to such important people as Davy Crockett, Abraham Lincoln, Clara Barton, Robert E. Lee, and Booker T. Washington. They are sure to enjoy this collection of fiction, nonfiction, American folk tales, and poetry in this colorful reader.

Building a New Nation will be available in the next few months. The course will consist of a student reader, an answer key, and a test packet.
