

Referral Form Explanation

If you will minister to other families by letting them know about CLASS, we will help you reduce the cost of educating your own children. For each new family who enrolls in CLASS at your recommendation, we will send you a tuition voucher worth **\$50 off** your next enrollment.

To obtain your voucher, just do these two simple things:

- 1) Give a friend a copy of our full-color Homeschool Resources catalog that you received with your curriculum and show them how to enroll.*
- 2) Send in the Enrollment Referral Form after your friend enrolls.

* Families must enroll in our nationally recognized homeschool academy (CLASS), rather than simply purchase materials or curriculum kits, in order to qualify for the voucher.

Recommend as many families as you wish; we will send you a voucher for each new family who enrolls. There's no limit to the number of vouchers you may use toward an enrollment, so the more families you recommend, the more you save. You can also minister to another family by giving them one of your vouchers to use toward their enrollment.

What an easy way to let other parents and their children discover this proven and inexpensive way to home school!

If you need additional copies of our free catalog, contact CLASS Customer Service at (800) 348-0899 or at custserv@homeschools.org. We will send as many as you can use.

Referral Instructions

Please print clearly. Unreadable information may result in an unusable referral.

YOUR FAMILY INFORMATION

Most of the information required can be found on the Packing List / Master Assignment Sheet for any of your students. To facilitate processing, information for the referral should be identical to that found on the Packing List. If there are errors in your name or address, the corrections may be submitted with the referral, but should be on separate paper.

Family ID: Your family identification number can be found above your address on the Packing List / Master Assignment Sheet and on most other correspondence from CLASS.

Family Name: The first and last name of the head of household. This should be printed the same as it appears in the address on your student's Packing List. If, for example, you enrolled under the name "William Jones," you should write it the same; not as "Will Jones," "W. Jones," or "Bill Jones."

Spouse: The first and last name of the head of household's spouse. You do not need to rewrite the last name if it is the same.

Address (including City, State, and Zip): Your full address. If you have a foreign address, you may modify the address lines to make it fit.

Phone: Your phone number where you can be reached should there be any questions or problems.

NEW FAMILY'S INFORMATION

It is imperative that the information listed here be as accurate and complete as possible. If CLASS cannot locate the new family in our computer, we will be unable to send a tuition voucher.

Family Name: The first and last name of the head of household. This should be the family's legal name since this is required on our enrollment application.

Spouse: The first and last name of the head of household's spouse. You do not need to rewrite the last name if it is the same.

Address (including City, State, and Zip): The full address of the family. If it is a foreign address, you may modify the address lines to make it fit.
