*Renewing the Mind ... Transforming the World*

## AVAILABLE NOW

In our March newsletter, we listed several new and revised products that were going to be available this spring. They have all arrived and are available for shipment.

### **BUILDING SPELLING SKILLS**

We now have second edition workbooks and answer keys available for *Building Spelling Skills Level 1* through *Level 6*. There is no change in price for the second edition materials; the list price remains the same as what we have been charging for the original edition. We will be

publishing second editions of *Level 7* and *Level 8* in 2012. We still have plenty of the original edition of these two workbooks on hand to meet your needs.

For those of you who might still want copies of the original edition of *Level 2* and *Level 6*, we still have a few hundred copies of each on hand. We have also instituted special closeout prices for the original edition of these two workbooks, along with their answer keys. The original edition workbooks for *Level 2* and *Level 6* are only \$7.19 and the answer keys are \$3.14. Your discounts still apply for these closeout items.

## LITTLE PILGRIMS IN GOD'S WORLD

*Little Pilgrims in God's World* is also available. Replacing *American People and Nation*, it consists of a student textbook, an activity book, and a teacher's manual. This colorful world studies course is designed to cover an entire school year in 70 lessons. All three components are designed to work together. Following the directions in the teacher's manual, parents will read the textbook to their students and help them with the activity book.

Students will gain a greater understanding of who they are in Christ and what their roles are in the family, the church, society, and the world. They will learn what it means to be created in God's own image, how He provides for His children, and that He is preparing for them a new world called heaven.

## COMING THIS FALL

*Building a New Nation* is the latest in our Christian Liberty Reader series. It is an exciting collection of stories that picks up where *Finding a New Land*, Christian Liberty Press's fourth grade reader, leaves off. Children will experience important historical events from America's westward expansion to the Vietnam War. Within the book, they will be introduced to such important people as Davy Crockett, Abraham Lincoln, Clara Barton, Robert E. Lee, and Booker T. Washington. They are sure to enjoy this collection of fiction, nonfiction, American folk tales, and poetry in this colorful reader.

*Building a New Nation* will be available in the next few months. The course will consist of a student textbook, an answer key, and a test packet.
