## *Little Pilgrims in God's World*

The first in the *Little Pilgrims* history series, this world studies course will help kindergarten students learn who they are in Christ and what their roles are in the family, the church, society, and the world. They will learn what it means to be created in God's own image, how He provides for His children, and that He is preparing for them a new world called heaven.

# Meet the Authors

---

Jeff and Stephanie Dennison are the co-authors of *Little Pilgrims in God's World*. While they may be new authors for Christian Liberty Press, they are not strangers to Christian education. They are both from western Pennsylvania and grew up in homes where their fathers were pastors and their mothers taught in Christian schools.

Jeff and Stephanie are both graduates of Covenant College, and Jeff earned a master's degree from Wheaton College. Between the two of them, they have taught for several years in Christian schools in North Carolina and Illinois. In addition, Jeff has done freelance editorial work for Christian Liberty Press.

While no longer formally teaching, the Dennisons keep busy raising their three children and being involved in the teaching ministries of their local church.
