## NEW PRODUCTS

We have been busy producing new and revised products this year. In this newsletter, we are announcing our revised Constitution course and the new first grade Bible course. Stay tuned for more announcements later this year.

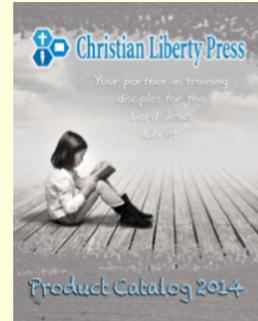

### **FOUNDATION FOR FREEDOM**

We are excited to announce that we are releasing a new edition of our Constitution curriculum. Retitled as *Foundation for Freedom: A Study of the United States Constitution*, this new course is now available as a

replacement for *The Story of the Constitution*.

We decided to give our Constitution course a new title to better reflect its content. This study is more than just the story of how the Constitution came to be; it explains how the Constitution is the foundation for our political freedom. Many of the features of *Foundation for Freedom* remain the same as what is found in *The Story of the Constitution*, but the information has been improved with updated examples and court cases, revisions based on past use of *The Story of the Constitution*, and other text upgrades. Students will notice significant visual enhancements now that it is a four-color workbook with many new illustrations. The support materials have also been improved by adding new features to the teacher's manual and moving the quizzes from the teacher's manual to the test packet, making them easier to use.

While *Foundation for Freedom* is more expensive than the old course, we believe that the refinements make it well worth the cost. See the product information on the next page for the details about this new Constitution course.

## Product Catalog

Earlier this summer, we sent out our 2014 Product Catalog. It lists all of the products published and sold by Christian Liberty Press. You can also go to the downloads page of either the distributors or schools & churches sections of our website and download a copy of the catalog.

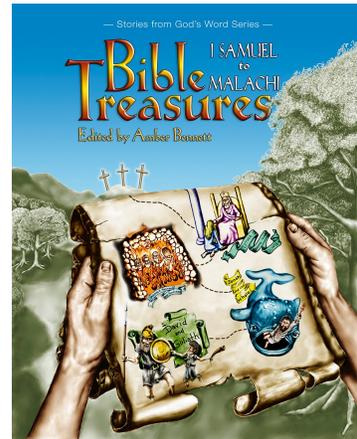

Also, if you need another copy of the price list and order form, go to the same downloads page to download or print a copy.

**BIBLE TREASURES: 1 SAMUEL TO MALACHI**

*Bible Treasures: 1 Samuel to Malachi* is the second of our early elementary Bible story series based on Catherine Vos’s original Bible story book. It is well illustrated, containing stories, questions, activity exercises, and memorization, including using the well-known *First Catechism*. Its goal is to help first grade students understand God’s wonderful plan of redemption.

The book is divided into 36 weekly units, with five lessons per unit. At the end of each week, students will be able to actively participate in fun crafts and activities that will help them review and remember their lessons, with a cumulative review unit at the end of the text. An answer key is found after the cumulative review.

The *Bible Treasures* series will continue through the second grade. It will be completed in 2015 with a book on the New Testament.
