## MERRY CHRISTMAS

On behalf of the entire staff of Christian Liberty, we wish all of you a blessed Christmas holiday. We pray that you and your family will enjoy a rich and meaningful Christmas season.

We would also like to

thank you for your business with us in 2019 and trust that the Lord will bless your efforts in 2020. We look forward to continuing to partner with you in the coming year.

## HOLIDAY SCHEDULE

Christian Liberty Press will again be taking a break for the Christmas holiday. Our offices will be closed from December 23 through January 3. Therefore, we will not be shipping orders during these days. To guarantee receipt of product orders by Christmas Eve within the continental United States, make sure your orders are received by Christian Liberty no later than Friday, December 13.

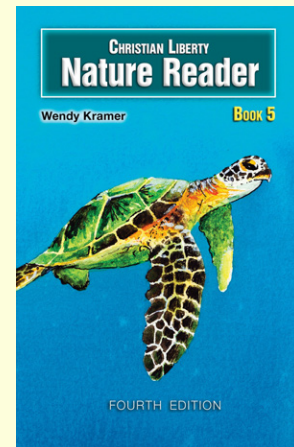

Any orders received after Thursday, December 19 will be shipped after we reopen on January 6, 2020. You can still place orders with Christian Liberty Press by either e-mail or FAX while we are closed. Orders received during this time will be applied to your 2019 totals. If you need to place an order to either maintain or increase your discount level for 2020, we encourage you to do so between now and January 6.

## NEW PRODUCTS

We plan on releasing various revised titles in 2020. We will be releasing a new edition of *Christian Liberty Nature Reader Book 5*. Read the adjacent column for the details.

We will also be releasing an update to *Journey Through the Bible: Book 2*. Additional material has been added to the student textbook, as well as minor changes to the rest of the course materials to make them consistent with the revised text.

Finally, we are revising the *CLASS Lesson Planner* to enable parents to better manage their high school students' preparation for college.

## NEW EDITION

We will be releasing a new, fourth edition of *Christian Liberty Nature Reader Book 5* in 2020. The author has revised both the main text and the vocabulary definitions. We have also included several additional four-color illustrations from the same artist. We are confident that your customers will appreciate this improved reader.
