## AVAILABLE NOW

We are happy to announce that our new fifth grade *Building a New Nation* reading course and support materials have arrived and are available for shipment.

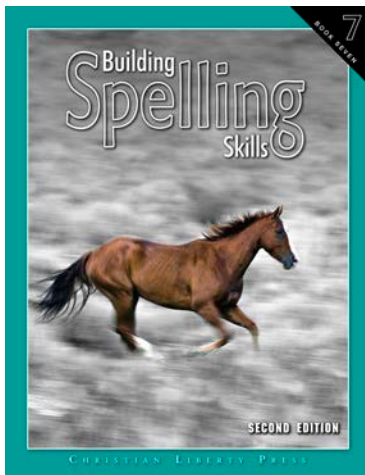

### **BUILDING A NEW NATION**

*Building a New Nation* is the latest in our Christian Liberty Reader series. It is an exciting collection of stories that picks up where *Finding a New Land*, Christian Liberty Press's fourth grade reader, leaves off. Children will experience important historical events from America's westward expansion to the Vietnam War. Within the book, they

will be introduced to such important people as Davy Crockett, Abraham Lincoln, Clara Barton, Robert E. Lee, and Booker T. Washington. They are sure to enjoy this collection of fiction, nonfiction, American folk tales, and poetry in this colorful reader.

*Building a New Nation* is available today! The course consists of a student textbook, a teacher's manual, a *Student Exercises* workbook, and a test packet.

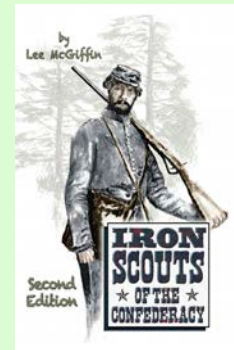

### **BUILDING SPELLING SKILLS LEVELS 7 & 8**

Soon all second edition workbooks and answer keys will be available for *Building Spelling Skills Level 1* through *Level 8*. There is no change in price for the second edition materials; the list price remains the same as what we have been charging for the original edition. The second editions of *Level 7* and *Level 8* are at the press and will be available April 2012. We still have plenty of the original edition of these two workbooks on hand to meet your needs.

For those of you who might still want copies of the original edition of *Level 6*, *Level 7*, and *Level 8*, we still have a few hundred copies of

each on hand. We have also instituted special closeout prices for the original edition of these three workbooks, along with their answer keys. The original edition workbooks for *Level 6*, *Level 7*, and *Level 8* are only \$7.19; and the answer keys are \$3.14. Your discounts still apply for these closeout items.

## COMING THIS SPRING

*Iron Scouts of the Confederacy, Second Edition*, is an exciting novel for young people. Tweens will love this well-illustrated book about two teen-aged brothers who serve as cavalry scouts for the Confederacy during the War Between the States. They find that the war is not fun, glory, and parades, but rather a dangerous business that can cost them their lives. Nonetheless, they learn courage, integrity, and even compassion. At the end, they are also wise enough to not take the war home with them.

The second edition of this action-packed title has been reformatted for a whole new look, which includes all new images and the addition of maps. This book is perfect for those older students who need supplemental reading material.

## SECOND EDITION *BUILDING SPELLING SERIES IS COMPLETE!*

The entire second edition of the *Building Spelling Skills* series has been completed. We have already published *Levels 1, 2, 3, 4, 5, and 6*. *Building Spelling Skills Levels 7 and 8* will arrive by the first of April 2012.
