

David lived in Bethlehem with his father Jesse and seven brothers. David was the youngest. His job was looking after his father's sheep.

He was very handsome. His family worshipped the Lord God.

David was very brave too. Whenever a lion or a bear would attack the flock and carry off a sheep, David would go after it and rescue the sheep from its jaws. He would grab the lion or bear by its hair, and kill it.

He had great courage because God was with him to help.
