

ADVENTURES IN PHONICS: Phonics Sounds and Teaching Tips

ALL TRACKS ARE FORMATTED AS MP3

These tracks provide phonics instructors with guidance in the correct pronunciation of each vowel and consonant sound. They also include special tips for teaching beginning readers.

The phonics sounds and teaching tips may be used to supplement any phonics program, but are designed to work with Christian Liberty's *Adventures in Phonics: Level A*.

Track	Content	Time	Track	Content	Time
1	Guitar Music	0:22	25	qu	0:07
