#### **PREFACE**

#### Dear Teacher or Parent:

In this second book of the *Building Spelling Skills* series, we take a second look at some of the basic components of English words. We revisit some of the primary concepts introduced and analyzed in *Book 1*, first by examining the spelling of vowel sounds and rudimentary consonant sounds. The book goes on to explore a variety of consonant combinations, blends, digraphs, and the spelling of compound words and syllables. We also lead the student into the study of prefixes and suffixes and their relationship to root words.

The final six units have two purposes: (1) to review many of the spelling concepts and word components covered in the first thirty units, and (2) to help the student see spelling in the context of prose. Some list words in these final units are repeated from earlier units, and some are new. The stories are all taken from a classic reader, *Beautiful Stories for Children*, which is published by Christian Liberty Press. By including these stories, we are furthering one of the goals of this spelling series, namely to coordinate spelling with phonics and reading.

As with other books in this series, students are given numerous opportunities to write and rewrite the words in each Unit Word List. Extensive practice, in the form of repetitive writing of selected words, is a major tool in learning to spell English words. Various word games and puzzles are included in each unit. These are intended to guide the student into carefully recognizing the arrangement of letters and/or syllables in selected list words, an exercise that is important in light of the many irregularities in spelling the words of the English language.

Instructors are encouraged to keep reading and spelling in close fellowship with each other during the teaching process. It is also helpful to keep in mind that there are no shortcuts on the road to developing good spellers. Good spellers are developed by a teacher's hard work, persistence, and encouragement, not to mention the same for the student.

#### **TEACHING SUGGESTIONS**

In addition to the instructions given for each unit and lesson, the following approaches are offered by way of suggestion to help teachers better guide their students to good spelling.

- 1. Read all of the words from the Unit Word List aloud with your student.
- 2. Emphasize to the student the primary phonetic spelling rule contained in the lesson.
- 3. Quiz the student by asking him to write each of the words from the lesson on separate paper as you read each of them aloud.
- 4. Check the accuracy of the student's written work, and help the student understand why he misspelled certain words.
- 5. Have your student provide the correct spelling for any words he misspelled on separate paper or on a chalkboard.
- 6. Show the student how some of the words from the unit are used in a sentence. This exercise will help to improve the student's comprehension, pronunciation skills, and vocabulary. Students should be encouraged to use some of the spelling words in sentences of their own choosing.
- 7. Conclude each unit with a review of that unit's words and a final test. Finally, you may wish to review words from the current unit or previous ones before starting into a new unit or exercise.

LEARNING HOW
TO SPELL WORDS

- 1. Look at the word. Study every letter.
- 2. Say the word to yourself.
- 3. Say it again aloud, and then spell it.
- 4. Copy the word on paper, naming the letters as you write.
- 5. Close your spelling book, and test yourself. Write the word.

Do not worry if you do not get it right the first time.

- 6. Open your spelling book again. Check the word.
- 7. Study the word one more time, and test yourself by writing the word again.

\* \* \* \* \*

As with all of your school work, always remember to ask God to help you learn and understand what you are doing.

Thank Him for His help with every lesson.

#### **Vowel Sounds**

#### **LESSON 1**

Study these list words, using the study plan on page 1.

fate bud pant pin need burn tone are who salt put men hot boil man err cube loud hair mine

#### **LESSON 2**

Write list words that have these vowel sounds:

<b>a</b> as in <b>ape</b>	i as in <i>ice</i>
<b>a</b> as in <b>far</b>	<b>o</b> as in <b>old</b>
e as in eve	<b>u</b> as in <b>tune</b>
<b>e</b> as in <b>end</b>	<b>oi</b> as in <b>oil</b>

2. Add one letter to this word to make a list word:

3. Take away one letter from this word to make a list word:

4. Combine these letters to make a list word:

- 1. Take your first practice test on all words in your Unit 1 word list. Write the words on a separate sheet of paper as your parent or teacher reads them.
- 2. Write any words you misspelled on your practice test five times on a separate sheet of paper.
- 3. Finish these sentences with list words. Pick a word from the choices given.

		( bud / hot / tone )

#### **Root Words and Suffixes**

#### **LESSON 1**

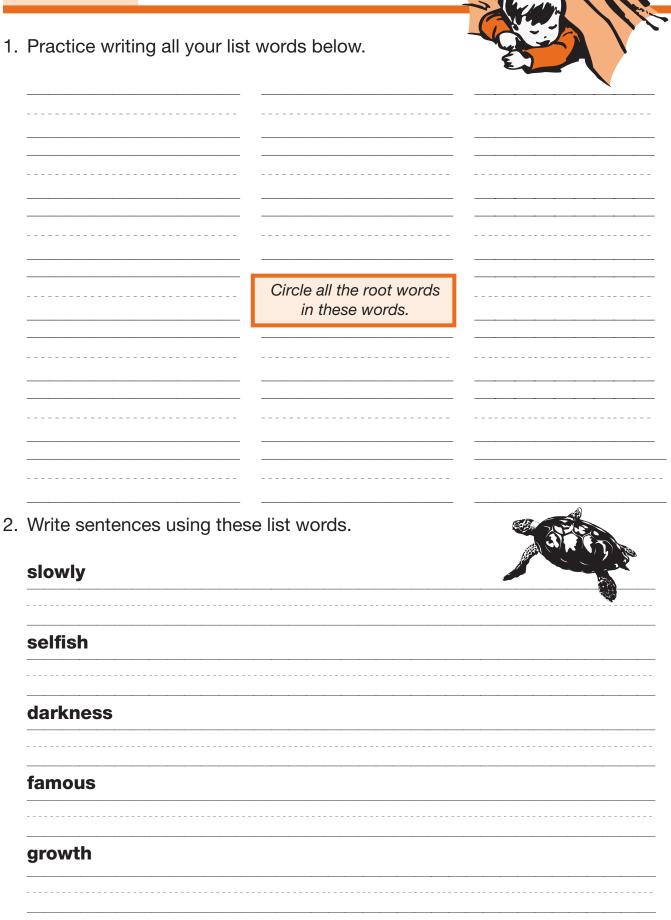

Study these list words, using the study plan on page 1.

famous\* heroic boyish statement toothless cashier fourteen qovernment helpless growth darkness going slowly sadness safety eating sleepy

#### **LESSON 2**

 	 <del></del>	 	

<sup>\*</sup> The root word in **famous** is **fame**. Notice that sometimes a root word is changed slightly before a suffix is added. Other examples are: **terror** → *terrible*, **excel** → *excellent*, and **nerve** → *nervous*.

- 1. Take your first practice test on all words in your Unit 27 word list. Write the words on a separate sheet of paper as your parent or teacher reads them.
- 2. Write any words you misspelled on your practice test five times on a separate sheet of paper.
- 3. Hitch a suffix from the train car to a root word in the smoke from the engine to form a list word. Write the list words.

#### **LESSON 5**

Take your final test. Write your words in the spaces provided at the back of the book. Hard work and prayer make a winning combination. Have you tried?
